

Supervisors Report AGM 29.3.17

- A big thank you to the committee for your support over the last 12 months and particularly for those committee members who are leaving/standing down from their current roles and have worked really hard since they joined us, especially Toni and Sarah.
- Thank you to Diana for joining recently as Vice Chairperson and for being an enormous help already.

Without new members we wouldn't be able to continue so it's really appreciated.

The last year has been especially busy, thank you to Debbie for great work with the admissions and for your help generally. It has presented some challenges with the church refurbishment which we are pleased is now complete.

- Since our last AGM we have been able to increase our staff personnel due to reopening the Monday morning session from September 2016. We welcome Sasha Lewis and Karen Geddes to the team and also the return of Caryl Freeman.
- The staff have updated their training and skills in the last year, courses have included safeguarding, first aid and food handling. All staff are now first aid trained which is really impressive.
- We were pleased to maintain our 5 grading in our recent Environmental inspection.
- Charities supported so far this year - Children in Need, Crackerjacks Children's Trust and most recently Comic relief.
- Three children have been eligible to receive Pupil Premium over the last 12 months. This has meant we have been able to purchase items to help with Language and Communication, Mathematics and have recently purchased a Sensory Den. We will be looking to purchase items to develop the children's fine motor skills shortly with the Spring and Summer term payments. As well as supporting those children who have provided this funding, these resources will benefit all the children in the group.

- Forthcoming events –

Fundraising collection at Crewe Alexandra Football ground 1.4.17

Trip to Stockley Farm on the 18.5.17

Stay and Play week to be arranged for the coming half term.

Sports Day in the Summer term with a date still to be decided.
