The information you give within this form will be retained by your nursery / pre-school / childminder and Cheshire East Council. The childcare provider holds information on children in order to support their development, monitor their progress, to provide appropriate pastoral care and to assess how well the Provider is doing. This information includes your child's contact details, ethnic group and any special educational needs.

Childcare providers are required by law to pass some information about your child to the Local Authority and the Department for Education. The information is used to derive statistics to inform various decisions. The statistics are used in such a way that individual children cannot be identified.

HOW TO COMPLETE THIS FORM

1. Child Details

Please ensure you complete all details in this section. You should use the child's legal name as shown on their birth certificate. Providers and the Council will be entitled to request sight of your child's birth certificate as proof of your child's age and eligibility to claim the Free Entitlement

2. Parent/ Guardian/ Carer Information

This should include the details of the person with legal Parental Responsibility for the child. The Declaration should be signed by a person with legal parental responsibility.

3. Free Entitlement Details (hours and patterns of access)

Your child is able to have up to 15 hours of free Early Years provision per week, for 38 weeks per year, for the terms after their third or fourth birthday if your child is attending a nursery, pre-school playgroup or independent school (a setting) which is on the Council's register.

You are able to claim 15 hours per week by either:

- claiming all 15 hours with one council school or nursery unit for the whole term;
- claiming all 15 hours with one private day nursery or one pre-school; or
- dividing the hours between different settings e.g. 7.5 hours with a private day nursery and 7.5 hours with another private day nursery or maintained nursery

Parents can claim the Free Entitlement at more than one setting, but are only allowed to claim a **maximum of 15 hours per week**. If you have already claimed all 15 hours at one provider you **cannot** claim any at another provision. If you are claiming your Free Entitlement at more than one provider you will need to sign a separate declaration at each provider.

Provider Hours - Enter the **weekly** hours to be claimed at the provider(s), then enter the **total** hours in the table.
