

Report from the Chair of Willaston Pre -School

I'm just blown away by the commitment of all the staff who work so hard to meet the needs and to develop the potential of every child who attends the Pre-School.

I know the lack of funding for our SEND children is a worry but despite this I am so glad the Preschool remains inclusive.

I also acknowledge the amount of work put in by Jacqueline and Caryl to update the curriculum in line with OFSTED as well as finding a baseline for each child to then set individual targets.

I must also give thanks to Debbie for all the unpaid work she does for us. I see her as the glue holding everything together and we would be lost without her.

Congratulations go to several members of staff for training undertaking.

Namely Jacqueline for completing her Early years SEND course and Harriet for completing her Level 3 Early years award.

Sarah is completing her Level3 and Caryl is starting a level 5

Management in Early Years

This year we have said goodbye to a couple of our Team and wish them well in their new ventures.

On a personal note, I must thank whoever puts the post out on Facebook. I love seeing what you have been up to in the week and the children's enjoyment.

I just want to end with thanking you for letting me be a small part of the organisation.
